REMARKS

The specification has been amended to include a "Related Applications" section, which states that the present application is a 35 U.S.C. §371 national phase application of PCT-International Application No. PCT/EP2004/010011 and claims priority to the identified European and U.S. patent applications. The original claims have been canceled and new claims added that correspond substantially thereto, but better conform to U.S. practice.

Please enter this amendment prior to calculating the fee in this case. Applicant respectfully requests substantive examination on the merits.

Respectfully submitted,
